## Be a sponsor !

### Sponsorship and exhibition opportunities

By becoming a sponsor of the 5<sup>th</sup> International Solar District Heating Conference you are making a real commitment to the renewable energy movement while boosting your visibility within the scientific and industrial solar district heating community. The wide array of sponsorship opportunities offered by the event allows us to help you find the most effective way to connect with our attendees. The packages are designed to fit all budgets and target groups.

The conference will be promoted directly to 15.000 subscribers; we expect approximately 200 participants.

#### How we promote you:

All sponsors will be recognized prominently before, during and after the conference as leading supporters of the conference:

- On our conference homepage
- With promotional space at the exhibition area
- With the opportunity to communicate with an international audience

#### Who you will meet:

- Researchers
- Market actors
- Business partners
- Component suppliers
- Consultants
- Service providers with long term experience in the field of solar district heating
